WHEN THE GLUE IS GONE

A SONG FOR MUM

I didn't see it back then,
Thought it would hold forever
Didn't know the little moments
Were the ones I'd miss the most

Now I see the hands that held me
Through the nights I couldn't sleep
The heart that never gave up
Even when I pushed too deep

I was busy chasing something,
Trying to be someone
Didn't see the quiet sacrifices
That you made for everyone

You were my steady ground
When everything fell apart
Now I finally understand
The love that built my heart

CHORUS

When the glue is gone
And the pieces don't hold
I remember who was there
When I was young and lost and cold

When the glue is gone
And I look back on my life
I'll see the love that held me close
You were the reason I survived

I see it in your eyes now,
All the years you carried me
Every worry, every prayer
Every tear I didn't see

Time can heal, time can change us,
But some bonds never break
No matter where this road goes
You're the heart I can't replace

You never asked for credit
You just loved me anyway
Now I know the depth of it
More than words could ever say

I'm so sorry for the times
I took your love for granted
But I'm grateful every day
For the mum you've always been

Thank you for...

THE LOVE WITHOUT LIMITS ♥ THE SACRIFICES UNSEEN
THE LESSONS THAT GUIDED ME ♥ THE FAITH YOU KEPT IN ME
THE ARMS THAT ALWAYS HELD ME ♥ THE HEART THAT NEVER LET GO

I love you Mum ♥

STILL YOUR DAD

A SONG FOR MY CHILDREN

♥ I STILL REMEMBER

I still remember tiny fingers,
Wrapped around this weathered hand,
I still remember making promises,
About the kind of man I'd help you stand.

Then life came like a thief at midnight,
Took more than I could understand,
One day I was your whole world,
The next day I was just a photograph.

♥ YEARS KEEP MOVING

Years keep moving like a river,
But some wounds never leave,
And every birthday that I missed
Is another memory I grieve.

♥ SOMETIMES I STARE

Sometimes I stare into the mirror,
And see a stranger looking back,
A man you never really knew,
Still carrying your memory through.

If you ever hear this,
If fate ever brings you near,
You'll never have to ask who I am,
Because I've been right here.

♥ I'M STILL YOUR DAD

I'm still your dad,
No matter where you are tonight,
No matter how many years have passed,
Or how far you've drifted out of sight.

♥ I'M STILL YOUR DAD

Even if you don't know my name,
And sometimes late at night
I wonder who you became.

♥ I'M STILL YOUR DAD

I'm still your dad,
No matter what the years have done,
No matter who you've become,
You'll always be my son...
You'll always be my daughter...

♥ I'M STILL YOUR DAD

I'm still your dad,
And if you ever hear this song,
Just know there wasn't a single day
I didn't wonder where you'd gone.

♥ IF YOU EVER HEAR THIS

If you ever hear this...
If you ever hear this...
I'm still your dad...

♥ I MISSED SO MUCH

I missed hearing your voice grow deeper,
Missed watching childhood disappear,
Missed the little things that matter,
The moments I was meant to be near.

And maybe somebody else stood beside you,
For the milestones I never knew,
But nobody can change the simple truth,
My heart still carries you.

♥ PEOPLE TELL ME

People tell me time can heal it,
But they don't understand,
How do you stop loving your children
When they're written in your hands?

♥ I'M STILL YOUR DAD

I'm still your dad,
No matter where this road may end,
No matter how much time we've lost,
My love won't ever bend.

♥ I'M STILL YOUR DAD

I'm still your dad,
That's one thing time can't take,
And every single day
I wonder who you became.
